STREET LIGHT REPAIR FORM

Date: _____

Municipality: Village of Forsyth

Requested By: _____ Phone # _____

Please give an exact location if possible: (Example – In front of 211 E. Main Street or on the south side of Main Street, 3rd pole east of the Intersection of Main and 2nd Street.)

Location #1

Location #2

Location #3

Normal street light repairs (bulbs, eyes) will be made within the 2 working days following the receipt of your request. Street light repairs beyond bulb/eye replacements will be completed within the 5 working days following the receipt of your request. If weather or material delays cause us not to meet the 5 day commitment, you will be contacted to set up a new commitment date.
