

VARIANCE APPLICATION GENERAL INFORMATION:

- Complete the entire Variance Request Form including:
 - Owner or Applicant Information (Please check appropriate box. However, if you are the applicant, contact information is needed for you and the owner.)
 - Legal Description of the Property (If you do not know the property's legal description contact Macon County or access the information on the Macon County website.)
 - Existing zoning of the property (if unsure please verify with Village Hall)
 - List the requested variation(s) to the Development Ordinance (Example – Section 4.9: Front Yard variance of 5 feet to allow a home addition to within 25 feet of the property line in an R-1 zoning district.)
 - Describe what your plans are for the property.
 - Provide a dimensioned site plan or plat to depict the proposed variation(s). The site plan or plat should include the location of any current or proposed structures on the property.
 - Thoroughly answer the five mandatory questions for the Variance Standards that the Planning and Zoning Commission and Village Board will be basing their recommendation and decision on for the variance request.
 1. Special or unique circumstances exist that are unique to the property seeking the variance (examples of special circumstances include, but are not limited to the physical character of the land or buildings, dimensions, topography, and soil conditions); and
 2. The special circumstances are not of so general or recurring a nature throughout the entire Village as to make it reasonably practical to provide for a general regulation; and
 3. Strict application of the Development Ordinance will deprive the applicant of right and/or uses commonly enjoyed by other owners of property in the immediate area under the regulations of this Development Ordinance; and
 4. The authorization of such variance will not be of substantial detriment to adjacent property and the granting of the variance will not change the character of the district; and
 5. The variance is the minimum variance that will make possible the reasonable use of the property, building, or structure.
- Note: The Commission or Board may also recommend denial or deny an application for a variance if evidence is submitted and substantiated demonstrating any of the following:
 - The need for the variance was created by the applicant or another party with an interest in the property;
 - The granting of the variance will impair neighboring property values; and/or
 - The granting of the variance will cause substantial detriment to the public good.
- Pay the required \$90 application fee; make check out to Village of Forsyth
- Sign and date the form and return to Village Hall

Village Staff will then review the application to ensure completeness. Once the application is deemed complete, Village Staff will notify the applicant of the meeting dates for the Planning and Zoning Commission meeting/Public Hearing and the Board of Trustees meeting.

* Planning and Zoning Commission meetings are held every 4th Thursday of the month and Board of Trustee meetings are held every 1st and 3rd Monday of the month. Village Staff will inform you of the date your application will go before the Commission and Board.

** If a Variance Request gets approved, an applicant has **18 months** from the date the ordinance is approved to apply for a **building permit**. An extension may be granted by the Village Board of Trustees to the 18 month timeframe if an applicant requests an extension prior to the 18 month time limitation. Should a building permit not be issued or an extension not be granted prior to the 18 month time limitation, the variance shall be considered null and void.
